

Tree of Knowledge Learning Center does not provide child care services away from the Center. If you request babysitting services away from the Center, the staff member agrees upon such service on her own behalf and not as an employee of Tree of Knowledge Learning Center. Our employees are selected and employed on the basis of their ability for providing child care services in a controlled and fully supervised child care program. Tree of Knowledge Learning Center offers no assurance of the staff for performing these and other services in an environment, which is not professionally supervised and none should be implied or inferred under any circumstances.
